**Features**

Standard pipe clamps are a modular assembly suitable for securing tube, pipe and hose in all types of installations.

Because of the modular design, (base plate, top plate, jaw set and securing bolts) either the complete assembly or just the required sub components can be utilised as required in each installation.

**Specifications**

<table>
<thead>
<tr>
<th>Jaws</th>
<th>Polypropylene</th>
<th>Polyamide</th>
<th>Rubber</th>
<th>Aluminium</th>
<th>Standard (Green)</th>
<th>Self Extinguishing (Black)</th>
<th>Heavy Duty Series</th>
</tr>
</thead>
<tbody>
<tr>
